OSPAR Audited Outsourced Service Providers

Updated 03 November 2026

S/N	Name of OSP	Nature of Services	Audit Period	Issue Date of OSPAR

1. More details on the activities of OSPAR audited OSPs as well as OSPs that are undergoing OSPAR audit are available in the ABS OSP Registry. The ABS OSP Registry is only accessible to ABS members.

2. Undertaking an Outsourced Service Providers Audit Report (OSPAR), does not diminish the obligations of a bank/institution to comply with relevant laws and regulations in Singapore. It is important that a bank/institution adopts a sound and responsive risk management framework for its outsourcing arrangements.

While outsourcing arrangements can bring cost and other benefits, it may increase the risk profile of a bank/institution due to, for example, reputation, compliance and operational risks arising from failure of a service provider in providing the service, breaches in security, or the service provider's inability to comply with legal and regulatory requirements.
